

Do you want to help make Friar Park a better place to live?

We are looking for a Chair to lead a new partnership board for Friar Park.

Friar Park has been offered up to £20m funding from the government's Pride in Place programme. This money will support local improvements chosen by people who live and work in Friar Park.

A new board is being set up to bring people together and decide how to spend the money. The members will be local residents, businesses, community groups, young people, elected councillors and the local MP.

Now we need to find a Chair for the Board.

The Chair's role is to make sure local people are listened to. You do not need lots of experience in this type of role. What matters most is that you care about Friar Park and want to help improve lives locally.

Over the next 12 months, the Board will:

- Talk with local people
- Create a plan to improve the area
- Decide how the money should be spent.

The Chair will help recruit other members of the Friar Park Neighbourhood Board after they are appointed.

You can find out more about Pride in Place and what it means to be part of a Board here: <http://www.sandwell.gov.uk/PrideInPlace>

Interested? Please see the **further information** and tell us you are interested.

A new Board is being set up in Friar Park to deliver the Pride in Place programme. The Board will be led by an independent Chair.

The Chair's role is to bring people together and help local people share ideas and work well together. The Chair will act as a strong voice for Friar Park and speak up for the programme and for the estate.

You should have a strong connection to Friar Park. You do not need lots of experience in a similar role. What matters most is that you care about Friar Park and want to help improve lives locally.

Payment and Expenses

- This is a **volunteer role** similar to being a school governor.
- Please tell us if money worries would mean you couldn't do it – we may be able to help
- We will fund travel and childcare if you need it

Support in the role

The Chair will be supported by members of the Board and by officers from Sandwell Council. They will also be part of a group with other Chairs who lead similar programmes in Sandwell so you can learn from one another. A national Pride in Place network is also being set up to help Chairs connect and share learning.
